

**International Credit Union
Regulators' Network (ICURN)**

The FRC became a member of the International Credit Union Regulators' Network (ICURN) on 12 July, 2017.

The ICURN is an independent, and not-for-profit, association of financial cooperative supervisors from around the world. The Network includes members from more than 40 countries, sharing information and ideas on topics of: sound financial cooperative regulation; initiating research on financial cooperatives; and identifying best practices and recommendations to improve regulations, safety and soundness.
